STRUCTURAL STABILITY CERTIFICATE

This is to certify that the Non Destructive Test were performed on existing school building for M.E.S. Vidya Mandir, Sector 21/22, Income Tax Colony. Near Apollo Hospital, Belapur, Navi Mumbai.

Building is Ground + 2 storey RCC framed structure. The visual Eye inspection is done along with Non destructive Tests like ultrasound pulse velocity Tests, Rebound Hammer Test were performed at various locations in the structure. The test result are generally found OK and so we can say the said **school building** is **structurally safe and stable for all anticipated dead and live loads for which it is intended to.**

This certificate is valid for Three years from the date of certificate.

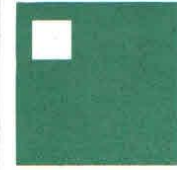

This certificate is issued on demand.

STABILITY CERTIFICATE FOR COMPOUND WALL

We hereby certify that, We have inspected the compound wall for premises of school building for M.E.S. Vidya Mandir, Sector 21/22, Income Tax Colony, Near Apollo Hospital, Belapur, Navi Mumbai.

The compound wall is constructed with UCR masonry and / or Brick masonry. The compound wall is provided with construction expansion joints at internals. At some locations we have suggested to touch up with P.C.C which we have observed to be eroded. But overall we can say that the **compound wall is safe and stable at this movement.**

This certificate is issued on demand.
